

I want to speak for me and my family when I say that K-LOVE serves us as a resident of the Winchester community.

I'd also like to say that the effect on the Winchester community is very positive and we want to see K-LOVE continue their broadcasting. We would be sad to see K-LOVE leave or if they were to be displaced by an LPFM broadcaster providing other programming we would be unhappy.

We believe that the service provided by K-LOVE is in the public interest because it has a positive and uplifting message.
